Subject: \$8.50 Fee

AB 2946 was approved by the Governor on September 28, 2008 and gives the Bureau the ability to request the \$8.50 fee for each burial, entombment, cremation, or inurnment made in California. To be able to begin collecting this fee, the Bureau must first enact regulations. We are currently in the process of doing so.

Until the regulations are approved and effective, please disregard the Bureau's November 14, 2008 notice and do not submit these fees or quarterly reports. We will notify you in writing when you can again submit these fees and reports.

If you have been collecting the fee from families, please return it to those who have paid it.

We apologize for any inconvenience this may cause.

If you have any questions, please contact our office at (916) 574-7870.
